Dear Parents and Carers,

3LS start and end of day arrangements- 15th April onwards

From the 15th April we will be in our amazing new building! The map below shows where your child will enter the building. Both year 3 classrooms are upstairs.

There are three entrances into the school site, at the start and end of the school day all of these will be open. Please note there are steps down to the building if you use the top gate (Ridgeway).

There are two different entrances to the building your child can use, depending on which gate they enter by. If they enter by the side gate or top gate they will come in via the double doors at the back of the building (purple dot). If they come in via the Beckhampton Road entrance they will enter via the side doors (red dot).

Anybody arriving after 8.50am will need to sign in at the main reception. At the end of the day 3LS will be collected from the hall doors and you can walk around the building from either direction.

Thank you for your support. We can't wait to welcome the children into their new classroom!

Yours faithfully,

Mrs Alison Thomas
