26th November 2024

Dear Parents and Carers,

MOVING TO TEMPORARY CLASSROOMS

When we return to school on 3.12.24 Nursery will be in their new classroom in the temporary building. This is a very exciting time and we have been working hard to get everything ready. Once the classrooms are set up we will send you some photographs.

At the start of the day families can enter school via Beckhampton Road or by using the top gate on the playground. These routes are marked on the map and your child's classroom is marked with a star. There will be extra staff positioned on the playground in the first few days to show you where to go.

Children will be dropped off at the nursery door each morning in the temporary building. At 11.30am the children will be brought down from Nursery to the main reception and parents must collect from here. Access at this time of the day will only be possible via Beckhampton Road entrance.

Please ensure that your child arrives on time as there will be significant delays in registering them at reception. You will need to wait with your child until someone is available to take them across to the other building.

You will find some further questions and answers attached, if you have any other queries please do not hesitate to contact school.

Thank you for your support.

Yours sincerely,

A. Thomas

Mrs Alison Thomas

Question	Answer
Which entrance can I use?	There are two entrances to school. One on Beckhampton Road and the top playground gate. The Nursery gate will no longer be in use. You can use either entrance to access the school site and your child's class.
How will I find my child's class?	Each year group have been sent a letter with details, including a map, which shows the location of each entrance. These are also available on the website. There will be additional staff to direct people to where they need to go for the first few days.
Can I go into my child's classroom?	No due to safeguarding and health and safety parents and carers are unable to access classrooms. A staff member from your child's year group will be on the door each morning to greet your child and take any messages.
What should I do if I need to speak to my child's teacher?	Class teacher's will be available at the end of every day after they have dismissed their class. Please be patient and wait until every child has been safely collected. Alternatively, you can make an appointment to speak with your child's teacher by calling reception.
What should if my child is late?	No child should be late for school. Gates open at 8:35am and all children should be in class by 8:45am. Please be aware that there will be significant delays in registering your child after this time. You will need to enter school via the Beckhampton Road gate where the gatekeeper will contact reception to approve access. If your child is in key Stage 1 or EYFS you will need to remain with them in Reception until a staff member is available to take them over to their classroom
What should I do if I am running late at the end of the day to collect my child?	Please call school to notify reception that you will be late. After 3:25pm all children will be taken to be collected from reception.
Where will my child eat their dinner?	Children in Nursery, F2, Year 1 and year 2 will eat their dinners in the new building on the same timings as previously.
Will there be toilets in the temporary building?	Yes, there are toilets situated on both floors for the children to use. At playtime and lunchtime, the children will continue to use the toilets in the key stage 2 building.
How long will my child be in the temporary building for?	Approximately 18 months.
Will parents get any updates on the building works?	Yes, B&K will send out newsletters and we will share these with you as soon as we get them.
Will the building work be loud?	The contractors are used to working on live school sites but there will be periods of time of increased noise and busyness.

Southglade Primary and Nursery School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
