

Breakfast Club Application

We are very fortunate to be one of 600 schools in the UK who are supported by Greggs to provide a healthy Breakfast club for our pupils. The breakfast club is free and is aimed at the children of working parents to enable them to get to work in the morning without the added expense of childcare. As a school we also fund some places for children who are in receipt of benefits related free school meals.

I would like to apply for a place for my child(ren) at breakfast club

Reason for Attending:

There is a limited number of places available each day. Once we have reached capacity children will be placed on a waiting list and you will be notified by letter when a place becomes available.

The breakfast club door is open between **8:10am and 8:25am**; please ensure that your child arrives between these times to allow plenty of time to eat their breakfast. Unfortunately, we will be unable to serve children who arrive after 8:25am unless there are exceptional circumstances.

Once places have been allocated, it is important that your child attend regularly. If your child does not attend over a 2-week period we will presume that you no longer need the place and will remove your child from the register. This place will then be offered to the next child on the waiting list.

Kind Regards

Mrs Alison Thomas and Mrs Dianne Finnie
