

Dear Parent/Carer,

Exciting News – A New Parent App Coming in September!

We're delighted to let you know that we will soon be inviting you to join our brand-new Parent App.

MarvellousMe is changing and being replaced with a new app by Juniper Education called Comms Hub. Many of the features you currently use will remain the same, helping you stay connected with your child's learning and achievements. Alongside these familiar features, the new app also includes a range of enhanced functions and updates designed to improve communication between home and school.

Through this app, you'll be able to:

- **Receive messages from the school:** Stay updated with important information, reminders and announcements directly on your phone. Messages can also be sent to parent/carers email addresses, ensuring you never miss important communications.
- **See pupil updates and achievements:** Celebrate your child's successes with updates about badges and points they earn in school.
- **Enjoy observations and activity photos:** Get a glimpse into your child's day with photos of activities happening in the classroom and around the school.

We want to make sure this is ready for you to use, so you will receive another letter when we return to school with detailed instructions on how to sign up. We will then send invitations for you to register for the app. **These invitations will be sent to the email address that school hold for you.**

In the meantime, please continue to use MarvellousMe as normal. We will let you know the date of the migration as soon as it has been confirmed and will continue to communicate with you through MarvellousMe until then.

Southglade Primary and Nursery School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

You can [find out more](#) about the new app: [Juniper App - Juniper Education](#)

We believe this app will strengthen the connection between home and school, giving you greater insight into your child's experiences while making communication easier and more effective.

Keep an eye out for your invitation coming in the new school year!

Best wishes

A. Thomas
