Dear Parent/Carer,

Your Invitation to our New Parent App - Comms Hub, by Juniper Education, is Coming Soon!

We're pleased to let you know that invitations to join our new [Parent App](#) will be sent out very soon. This new app by Juniper Education called Comms Hub is the replacement for Marvellous Me. Many of the features you currently use will remain the same, helping you stay connected with your child's learning and achievements. Alongside these familiar features, the new app also includes a range of enhanced functions and updates designed to improve communication between home and school

The invitation will be sent to the email address the school has on record for you. It will include a link that allows you to create your account and set your password. To create your account, you will just need to complete a short form and set a password. Once your account is set up, you'll be able to log in and start using the app.

If you wish, you can download the app in advance from the app stores by searching for Juniper Education, or use the links below:

- [Apple App Store](#)
- [Google Play Store](#)

However, please note: **you won't be able to log in until you receive your invitation email and complete the account setup.**

As mentioned previously, the app will give you easy access to:

- Messages from the school
- Updates on your child's awards, badges, and points
- Photos and observations of your child during the school day
- An overview of your child's attendance

Please keep an eye on your email inbox over the coming days. If you don't receive your invitation, or if your contact details have recently changed, feel free to get in touch with the school office or send an email to admin@southglade.nottingham.sch.uk to ensure we have your correct email address.

We're excited to share this new platform with you and look forward to seeing the positive impact it will have.

Best wishes,

A handwritten signature in black ink that reads "A. Thomas". The signature is written in a cursive, slightly slanted style.
