

School Uniform policy

Autumn 2026

Statement of Intent

Southglade Primary and Nursery School is committed to promoting equality and value for money and to ensuring that no child is discriminated against due to their religion or belief, economic circumstances or social and cultural background. This policy contains provision to meet these objectives and has been created with health and safety, value for money and practicality in mind.

Additionally, it is important that our pupils feel a sense of belonging to our school. We believe that wearing a school uniform allows all children, regardless of their backgrounds, to feel equal to their peers and confident in their appearance.

Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform
- Demonstrate how we adhere to the DFE guidelines set in September 2026 regarding affordable uniform

Our school's legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, Southglade Primary and Nursery School will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all pupils
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- Allow pupils to request changes to swimwear for religious reasons

- Allow pupils to wear headscarves and other religious or cultural symbols
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with the school office via telephone or by emailing admin@southglade.nottingham.sch.uk who can answer questions about the policy and respond to any requests.

Limiting the cost of school uniform

In accordance with the School Admissions Code, Southglade Primary and Nursery School ensures that our school uniform policy does not discourage parents/carers from applying for a school place for their child. Our school is committed to making sure that our uniform is affordable and in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We will make sure our uniform:

- Is available at a reasonable cost all year round
- Is available to new starters
- Provides the best value for money for parents/carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics where possible
- Considering cheaper alternatives to school-branded items, such as non-logo jumpers
- Working with multiple uniform providers to obtain the best value for money possible
- Avoiding different uniform requirements for different year/class groups
- Avoiding different uniform requirements for extra-curricular activities
- Making sure that arrangements are in place for parents to acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

If a child goes home in another child's clothing by accident, for example their jumper, parents/ carers should send the clothing not belonging to them back into school to their child's teacher.

Any lost clothing is taken to the lost property box. All lost property is retained for half a term and is disposed of if it is not collected within this time.
